Club meeting

For our January Trip we have provisionally reserved 12 places on Tusa 6 on Sunday 8th.

Tusa does not reserve a spot until payment has been made in full.

To pay and book, or for more information, call Tusa directly on 4047 9120. You will need to be at E Finger of Cairns Marina at 7:40 for an 8:00 departure.

Remember to tell them you are a Nautilus member. Once you have booked, please let Mark know so he can keep track of who is going. markearney54@gmail.com NB Tusa allows unguided diving, and they also have Nitrox tanks on board (subject to availability).

Lake Eacham BBQ get together, you can dive if you wish or just eat, drink, (but not drive) and be merry.

More info coming via your social events organiser in early January.

Special dives will be organised in addition to the regular monthly day trips, these could be with Reel Cray-Zee, Rumrunner, and could be day trips or weekend trips to the reef or the Yongala. Better watch your emails for future announcements.

RAID

High Performance Diver (HPD)

Workshop plus Deco 50 (Instructor and User levels)

17th - 27th January 2017
Cairns, Australia

The RAID HIGH PERFORMANCE DIVER workshop is intended for recreational divers wanting to be the "best they can be". Demonstrating that RAID continues to lead the diving industry, this cutting edge event not only bridges the gap between recreational and technical levels but also provides a logical training pathway that "makes sense" to becoming a better trained and experienced diver.

Join this workshop for one or all courses over 11 days which includes the newly released RAID Deco programs all being taught by one of the authors and RAID IT, Edd Stockdale. Become one of the first divers or Instructors worldwide with the new modern programs.

Join Edd Stockdale, RAID IT and Technical Program Author

Edd is a highly experienced technical diver and explorer along with being one of the writers of the new RAID Tec programs. Join him on this eleven day program to learn modern technical diving techniques at both diver and instructor levels.

Complete the whole program or select components that suit your diving or instructor level.

Schedule:

- Sidemount - 3 days
- Deco 40 - 4 days
- Deco 50 - 4 days (in conjunction with Deco 40)

Course	Full Program	Sidemount + Deco 40	Deco 50	Deco 40 or Sidemount only
Diver	\$1500	\$890	\$1000	\$500
Instructor	\$1900	\$1250	\$1200	\$700

Includes: training, dives, cylinders and gas, materials and certification
